General Updates

- DentaQuest are recruiting providers across the state of New Hampshire for Adult Medicaid, recruitment outreach began on 01.06.23.
- Most common decline reason has been offices not taking Medicaid or fees are low, some offices are understaffed and overbooked with limited or no capacity to see new patients.
- New fee schedule has engaged providers in conversation as well as the sign-on bonus which has generated more interest and expediated paperwork completion.
- Recruiters have been re-engaging all provider offices with sign on bonuses till end of May, responses have been positive with some providers encouraged to see increase in fees and sign bonuses being offered.
