Plan for Medicaid Care Management Adult Dental Benefit

September 16, 2022

Department Preparedness to Implement an Adult Dental Benefit:

The Division of Medicaid Services has developed a timeline to meet critical deadlines during the contracting and implementation process.

- July 11, 2022 – Release of Request for Information (RFI)
  Link to posted RFI: RFI-2023-DMS-01- MEDIC: Medicaid Care Management Dental Benefit | New Hampshire Department of Health and Human Services (nh.gov)

- August 25, 2022 – Release of Request for Proposals (RFP)
  Link to posted RFP: RFP-2023-DMS-06-MEDIC: Medicaid Care Management Dental Services | New Hampshire Department of Health and Human Services (nh.gov)

- September, 2022 to January, 2023 – Rules development and approval

- October/November, 2022 target dates – Present adult dental benefit contract to Governor and Council for potential approval

- April –June, 2023 (or sooner) - Submission of a state plan amendment (SPA) and waiver(s) to the Centers for Medicaid and Medicare Services (CMS) within the quarter of the implementation date

- April 1, 2023 – Implementation

- The department will present an annual report to the Health and Human Services Oversight Committee that includes, but is not limited to, Medicaid recipient utilization, provider participation, and other indicators of program effectiveness.
