General Updates

- DentaQuest are recruiting providers across the state of New Hampshire for Adult Medicaid, recruitment outreach began on 01.06.23.
- Most common decline reason has been offices not taking Medicaid or fees are low, some offices are understaffed and overbooked with limited or no capacity to see new patients.
- New fee schedule has engaged providers in conversation as well as the sign-on bonus which has generated more interest and expediated paperwork completion.
- Recruiters have been actively re-engaging all provider offices with increased fees and sign on bonuses till end of month, responses have been positive with some providers encouraged to see increase in fees and sign bonuses being offered.
