SB 408- AS AMENDED BY THE SENATE

3/16/00 3691s

00-2619
08/01

STATE OF NEW HAMPSHIRE

In the Year of Our Lord Two Thousand

AN ACT establishing a committee to study the application of non-conventional veterinary procedures for domestic animals.

Be it Enacted by the Senate and House of Representatives in General Court convened:

1 Committee Established. There is established a committee to study the application of non-conventional veterinary procedures for domestic animals.

2 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Three members of the senate, appointed by the president of the senate.

(b) Three members of the house of representatives, 2 of whom shall be from the environment and agriculture committee, appointed by the speaker of the house.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

3 Duties. The committee shall study the application of non-conventional veterinary procedures for domestic animals.

4 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named senate member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

5 Report. The committee shall report its findings and any recommendations for proposed legislation to the senate president, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library on or before November 1, 2000.

6 Effective Date. This act shall take effect upon its passage.

Re: SB 408, establishing a committee to study the application of non-conventional veterinary procedures for domestic animals.

On March 16 the Senate passed SB 408 which would establish a committee to "study the application of non-conventional veterinary procedures for domestic animals." It has subsequently been assigned to the House Environment and Agriculture Committee for public hearing, review, and committee recommendation to the full House.

The Committee has already debated and voted on this issue when it examined HB 1483. The Committee recommended that HB 1483 be passed with amendment. The amendment's language is the same as that contained in SB 408, except that the SB 408 puts three Senators and three Representatives on the study committee, whereas the Committee's amendment assigns five from each body.

HB 1483 will be voted on by the full House this Thursday.

MEMORANDUM

TO: **Environment and Agriculture Interim Study Subcommittee on SB 408**
(New Title) establishing a committee to study the application of non-conventional veterinary procedures for domestic animals.
Rep. David L. Babson, Jr.
Rep. Karen K. McRae
Rep. Derek Owen
Rep. James Phinizy

FROM: Rep. Kenneth R. Marshall, Subcommittee Chair

DATE: August 11, 2000

RE: Update

Inasmuch as Speaker Sytek appointed a chaptered study committee as required in HB 1483 (as passed) -- *(New Title) establishing a committee to study the application of non-conventional veterinary procedures for domestic animals* -- I find that it is not necessary for our SB 408 subcommittee to function, and we should simply report this fact when the full committee next meets.

The House members the chaptered study committee are:

Rep. Edwin O. Smith
Rep. David L. Babson, Jr.
Rep. Kenneth R. Marshall
Rep. Kathleen N. Taylor
Rep. Carolyn A. Virtue

Any input should be directed to this group. If there is an objection to this course of action, please contact me at 753-4269.
