Rep. Betsey Patten - Prime sponsor of the bill. She stated that the Board of Selectmen requested the bill, which authorizes the town of Moultonborough to designate an island in Lake Winnipesaukee as "Henry's Island". A man named Henry said if it was named for him would donate the land. A previous Island was named Children's Island. This bill allows town to name the island.

Chairman Royce: Does the island have a name now? ANS: No.

Rep. Fields: Could you add more people to the naming of the island or something like in accord with the Marine Patrol? ANS: There is no known involvement of the Marine Patrol in this situation.

Rep. Lawton: What RSA are we amending in this bill? ANS: This would not be put in an RSA. Names of islands are not in RSA, but on official map. Is this a typical way to name islands? ANS: The Resources, Recreation, and Development Committee has giving responsibility for naming to selectmen in the past.

Rep. Christensen: Can the town change name in the future? ANS: That is not the intent of the bill.

Rep. Roberts: How large is the island? ANS: Do not know, but is less than 10 acres.

Rep. Fields: Does this authorize the town to accept the island? ANS: The Island is in state waters, need authorization from the Legislature.

Rep. Quimby: Stated that the island is about 2,000 square feet in size.

Chairman Royce: No sub-committee is required.

Respectfully submitted,
