STATE OF NEW HAMPSHIRE

In the Year of Our Lord Two Thousand Twenty Two

AN ACT relative to medical freedom in immunizations, re-establishing the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) Farmers Market Nutrition Program, establishing an association health plan pilot program, and relative to expanding Medicaid to include certain postpartum health care services and making an appropriation therefor.

Be it Enacted by the Senate and House of Representatives in General Court convened:

1 Communicable Disease; Medical Freedom in Immunizations. Amend RSA 141-C:1-a, I to read as follows:

I. Every person has the natural, essential, and inherent right to bodily integrity, free from any threat or compulsion by government to accept an immunization. Accordingly, no person may be compelled to receive an immunization for COVID-19 in order to secure, receive, or access any public facility, any public benefit, or any public service from the state of New Hampshire, ***the New Hampshire department of health and human services,*** or any political subdivision [~~thereof~~] ***of the state of New Hampshire,*** including but not limited to counties, cities, towns, precincts, water districts, school districts, school administrative units, or quasi-public entities.

2 New Section; Special Supplemental Nutrition Program for WIC Farmers Market Nutrition Program. Amend RSA 132 by inserting after section 12-e the following new section:

132:12-f WIC Farmers' Market Nutrition Program. There is established in the department of health and human services the New Hampshire Farmers' Market Nutrition Program for participants in the Special Supplemental Nutrition Program for Women, Infants and Children (WIC). The program shall distribute food instruments to eligible WIC participants to redeem for locally grown fresh fruits, vegetables and herbs at authorized New Hampshire farmers' markets in compliance with 7 C.F.R. 248 that are redeemable only at designated New Hampshire farmers' markets. The commissioner shall adopt rules under RSA 541-A to implement this program.

3 Appropriation; WIC Farmers' Market Nutrition Program. There is hereby appropriated to the department of health and human services the sum of $300,000 for the fiscal year ending June 30, 2023, which shall be nonlapsing, for the purpose of funding the WIC Farmers' Market Nutrition Program in RSA 132:12-f. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

4 Association Health Plans; Pilot Program. No later than January 1, 2023, the commissioner shall develop and implement a pilot program for the establishment of association health plans (AHP). The pilot program shall include all state-mandated health plan coverage, and no state-

mandated health plan coverage shall be exempt. Membership in an AHP may be based on profession, line of business, or geographic region, and shall be open to any eligible person regardless of age or health history or status. The pilot program shall be limited to 1,000 participants and shall comply with the United States Department of Labor AHP final rule published in 83 Fed. Reg. 28912 (June 21, 2018) codified at 29 C.F.R. 2510. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to eligibility, application, and selection procedures, and necessary operational provisions of the pilot program. No later than January 1, 2024, and annually thereafter, the commissioner shall submit a report on the status of the pilot program to the speaker of the house of representatives, the president of the senate, the governor, and the chairpersons of the house and senate standing committees with jurisdiction over insurance matters.

5 Repeal. Section 4 of this act, relative to the association health plan pilot program, is repealed.

6 Title. Sections 6-9 of this act shall be known and may be cited as the "Healthy Moms, Healthy Babies Act of 2022".

7 New Paragraph; Medicaid Enhancement for Children and Pregnant Women. Amend RSA 167:68 by inserting after paragraph III the following new paragraph:

IV.(a) Pursuant to the state option under the American Rescue Plan Act of 2021 to expand maternity care under Medicaid and section 1902(e)(16) of the Social Security Act (42 U.S.C. section 1396a(e)), the commissioner of the department of health and human services shall submit, no later than August 15, 2022, a Medicaid state plan amendment to the federal Centers for Medicare and Medicaid Services to establish and implement 12 months of continuous coverage for the entire postpartum period. This benefit shall be available to anyone who received medical assistance under the state plan for all pregnancy-related and postpartum medical assistance available under the state plan.

(b) The purpose of the program shall be, through ensuring continuous coverage for a 12-month postpartum period, to increase identification and mitigation of preventable pregnancy related and pregnancy associated morbidity and mortality, including those related to substance use disorder and mental illness.

(c) The medical assistance provided for a pregnant or postpartum woman under this section shall, consistent with Section 1902(e)(16) include all items and services covered under the state plan that are not less in amount, duration, or scope, or are determined by the Secretary to be substantially equivalent, to the medical assistance available for an individual described in subsection (a)(10)(A)(i); and be provided for the individual while pregnant and during the 12-month period that begins on the last day of the individual's pregnancy and ends on the last day of the month in which such 12-month period ends.

(d) On January 1, 2023, the commissioner shall begin submitting quarterly reports to the oversight committee on health and human services, the legislative committees with jurisdiction over health and human services, and the governor regarding the department's progress in obtaining

and implementing the state plan amendment. The quarterly reports shall include the department's plans for reducing administrative burdens for enrollees and the department's efforts to expand access and participation to voluntary, evidence-based maternal home visiting programs, pursuant to subparagraph (a). Reports submitted under this paragraph shall also be posted on the department's website.

(e) The department shall include in its biennial request for appropriations under RSA 9:4, not less than $200,000 for each fiscal year, for the purpose of providing the postpartum health care services required under this paragraph.

8 Appropriation. The sum of $200,000 for the biennium ending June 30, 2023 is hereby appropriated to the department of health and human services for the purpose of expanding postpartum health care services under the state Medicaid plan as provided in section 7 of this act. The governor shall determine if any discretionary funds appropriated in the American Rescue Plan Act of 2021, Public Law 117-2, or any other federal funds, can be used for this purpose, and the commissioner shall expend such federal funds for this purpose. Any remainder shall be appropriated from the general fund. The governor is authorized to draw a warrant for the general fund portion of such sum from any money in the treasury not otherwise appropriated.

9 Prospective Repeal. RSA 167:68, IV, relative to Medicaid coverage of postpartum health care services for a 12-month period, is repealed.

10 Effective Date.

I. Section 1 of this act shall take effect 60 days after its passage.

II. Sections 2 and 3 of this act shall take effect July 1, 2022.

III. Section 5 of this act shall take effect July 1, 2025.

IV. Section 9 of this act shall take effect March 31, 2027.

V. The remainder of this act shall take effect upon its passage.

HB 1099- FISCAL NOTE

AS AMENDED BY THE SENATE (AMENDMENTS #2022-1852s, #2022-1880s, and #2022-1963s)

AN ACT relative to medical freedom in immunizations, re-establishing the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) Farmers Market Nutrition Program, establishing an association health plan pilot program, and relative to expanding Medicaid to include certain postpartum health care services and making an appropriation therefor.

Expenditures	$0	Indeterminable Increase	Indeterminable Increase	Indeterminable Increase
Funding Source:	[X] General [ ] Education [ ] Highway [X] Other - Matching Federal Funds			

METHODOLOGY:

This bill addresses various subject matters, and information relative to their respective fiscal impacts will be discussed in turn.

Section 1, Relative to Medical Freedom in Immunizations

This section amends existing RSA 141-C:1-a, I to clarify that no person shall be compelled to receive a COVID-19 vaccine in order to receive services or benefits from the NH Department of Health and Human Services. This provision is not expected to have a fiscal impact.

Sections 2-3, Relative to a Special Supplemental Nutrition Program for Women, Infants, and Children (WIC)

These sections establish a NH farmer's market program for participants in the women, infants, and children (WIC) nutrition program. The program will supply locally grown fresh produce to WIC participants through the distribution of vouchers redeemable at designated NH farmers' markets. Section 3 of the bill contains a nonlapsing general fund appropriation of $300,000 for this purpose in FY23. The Department of Health and Human Services states that the program may be eligible for matching federal funds, but has not identified the percentage match that it expects to receive. With respect to utilization, the Department states the appropriation and possible federal match could be used to provide a $30 one-time benefit to the estimated 11,977 low-income women and children enrolled in the WIC program.

The Department anticipates needing a 0.25 full-time equivalent (FTE) Program Assistant II position (labor grade 15) in order to administer the new program. The bill does not authorize the establishment of new positions.

Sections 4-5, Relative to A Pilot Program for the Establishment of Association Health Plans

These sections require the insurance commissioner to establish a pilot program for association health plans. The Insurance Department indicated it can assume the responsibilities associated with these sections with its existing infrastructure with no impact to the operating fund. Where the program is limited to 1000 participants, the Department assumes the impact on premium tax, if any, will be small.

Sections 6-9, Relative to Medicaid Enhancement for Children and Pregnant Women

These sections require the Department of Health and Human Services to submit a state plan amendment expanding postpartum coverage under Medicaid. The Department notes that currently, the state provides Medicaid coverage to pregnant women with incomes up to 196 percent of the federal poverty level (FPL) for 60 days postpartum, which would be extended to 12 months under the bill. In addition, the Granite Advantage Program currently covers individuals with incomes up to 138 percent of the FPL. Accordingly, the Department states these sections will effectively provide 10 months' worth of postpartum coverage for those between 138 percent and 196 percent of the FPL. As of December 2021, the Department was awaiting guidance from the federal Centers for Medicare and Medicaid Services (CMS) regarding the availability of an enhanced Federal Medical Assistance Percentage (FMAP) for these services. Depending on the FMAP available and the number of individuals eligible for the extended coverage, the Department estimates an annual increase in state general fund expenditures of $200,000 to $1,000,000 per year.

Section 8 of this bill contains an appropriation of $200,000 in the FY 2022/23 biennium. If federal funds are available under the American Rescue Plan Act of 2021 (ARPA), those shall be used first, with state general funds used for the remainder. The bill further directs the Department to include an amount not less than $200,000 per year in its biennial budget request for the purpose of ongoing funding for the program.

Floor Amendment to HB 1099

Amend the title of the bill by replacing it with the following:

AN ACT relative to medical freedom in immunizations and relative to expanding Medicaid to include certain postpartum health care services and making an appropriation therefor.

Amend the bill by replacing all after section 1 with the following:

2 Title. Sections 2-4 of this act shall be known and may be cited as the "Healthy Moms, Healthy Babies Act of 2022".

3 New Paragraph; Medicaid Enhancement for Children and Pregnant Women. Amend RSA 167:68 by inserting after paragraph III the following new paragraph:

IV.(a) Pursuant to the state option under the American Rescue Plan Act of 2021 to expand maternity care under Medicaid and section 1902(e)(16) of the Social Security Act (42 U.S.C. section 1396a(e)), the commissioner of the department of health and human services shall submit, no later than August 15, 2022, a Medicaid state plan amendment to the federal Centers for Medicare and Medicaid Services to establish and implement 12 months of continuous coverage for the entire postpartum period. This benefit shall be available to anyone who received medical assistance under the state plan for all pregnancy-related and postpartum medical assistance available under the state plan.

(b) The purpose of the program shall be, through ensuring continuous coverage for a 12-month postpartum period, to increase identification and mitigation of preventable pregnancy related and pregnancy associated morbidity and mortality, including those related to substance use disorder and mental illness.

(c) The medical assistance provided for a pregnant or postpartum woman under this section shall, consistent with Section 1902(e)(16) include all items and services covered under the state plan that are not less in amount, duration, or scope, or are determined by the Secretary to be substantially equivalent, to the medical assistance available for an individual described in subsection (a)(10)(A)(i); and be provided for the individual while pregnant and during the 12-month period that begins on the last day of the individual's pregnancy and ends on the last day of the month in which such 12-month period ends.

(d) On January 1, 2023, the commissioner shall begin submitting quarterly reports to the oversight committee on health and human services, the legislative committees with jurisdiction over health and human services, and the governor regarding the department's progress in obtaining and implementing the state plan amendment. The quarterly reports shall include the department's plans for reducing administrative burdens for enrollees and the department's efforts to expand access and participation to voluntary, evidence-based maternal home visiting programs, pursuant to subparagraph (a). Reports submitted under this paragraph shall also be posted on the department's website.

(e) The department shall include in its biennial request for appropriations under RSA 9:4, not less than $200,000 for each fiscal year, for the purpose of providing the postpartum health care services required under this paragraph.

4 Appropriation. The sum of $200,000 for the biennium ending June 30, 2023 is hereby appropriated to the department of health and human services for the purpose of expanding postpartum health care services under the state Medicaid plan as provided in section 2 of this act. The governor shall determine if any discretionary funds appropriated in the American Rescue Plan Act of 2021, Public Law 117-2, or any other federal funds, can be used for this purpose, and the commissioner shall expend such federal funds for this purpose. Any remainder shall be appropriated from the general fund. The governor is authorized to draw a warrant for the general fund portion of such sum from any money in the treasury not otherwise appropriated.

5 Prospective Repeal. RSA 167:68, IV, relative to Medicaid coverage of postpartum health care services for a 12-month period, is repealed.

6 Effective Date.

I. Section 1 of this act shall take effect 60 days after its passage.

II. Section 5 of this act shall take effect March 31, 2027.

III. The remainder of this act shall take effect upon its passage.

Summary of testimony presented in support:

Representative Peter Torosian

Rockingham County District 14

- Representative Torosian said that HB 1099 was originally more narrowly defined to restrict the Department of Health and Human Services (DHHS) from requiring passports for services.
- Rep. Torosian said that, as amended, HB 1099 also includes other political subdivisions such as counties, cities, towns, and school districts.
- Rep. Torosian said that HB 1099 was brought forward because in 2021 DHHS scheduled, and attempted to have a public hearing on, the idea of requiring vaccine

passports. He said that the hearing had so many people attend that there wasn't enough room in the meeting space so it got cancelled. He said that the people were overwhelmingly against the move to change and require a mandate.

- Rep. Torosian said that HB 1099 codifies in law that every person has a natural, inherent right to bodily integrity, free from any threat of compulsion by the government.
- Senator Sherman said that DHHS oversees the state Medicaid program, as well as several different entities that receive Medicaid dollars, such as nursing homes and physician practices. He asked if HB 1099 would prohibit a private entity, such as a private practice pediatrician, from not accepting non-vaccinated patients?
    - Rep. Torosian stated that it is his understanding that it would not but he is not an expert in that area. He said that the governmental entities that he mentioned previously would be who the bill is targeting.
- Senator Sherman said that there is a process for determining what vaccines are required for school age children. He asked, since that process is within DHHS and since school districts are mentioned in HB 1099, if DHHS would no longer will have that ability.
    - Rep. Torosian replied that HB 1099 specifically refers to the Covid-19 vaccine and does not apply to other vaccines.
- Senator Sherman said that there are multiple Covid-19 variants and asked, if another one comes along that is as deadly as the Delta variant was and as contagious as the avian flu, and the only way to protect people would be to require vaccines, if HB 1099 would take the ability to respond appropriately away.
    - Rep. Torosian said that HB 1099 is specifically for Covid-19.
- Senator Sherman stated that he is referring to a variant of Covid-19 and asked if HB 1099 is taking away the ability of DHHS to react to a new variant, as yet to arrive, where the only response is a vaccine.
    - Senator Gray said that that question is too much conjecture for Rep. Torosian to be able to answer.
    - Senator Sherman said that he would wait to ask DHHS.
- Rep. Torosian stated that HB 1099 does not take away the ability for people to become immunized if they choose, but it does prevent people from being forced to be vaccinated by the government. He said that it would not interfere with the private sector.

Representative Betty Gay

Rockingham County District 8

- Representative Gay said that HB 1099 is specifically aimed at Covid-19.
- Rep. Gay said that there are multiple ways to protect other people if you are sick and carrying the disease. She questioned if immunization is the only way to protect other people. She said that immunizations for Covid-19 only last for a few months.

- Rep. Gay said that other countries that do a better job than the United States, like Israel, have a lot of data on immunizations.

Russan Chester

Bedford

- Ms. Chester said that she believes it needs to be on the record in the state of New Hampshire that people can choose to not be vaccinated for Covid-19.
- Ms. Chester said that there have been many adverse effects to the Covid-19 vaccines.
- Ms. Chester said that she has worked with people with disabilities and elderly people for many years and in many situations there are a lot of reasons why someone should not get vaccinated.
- Ms. Chester said that it has become an issue of discrimination where people are refused services because they choose not to be vaccinated.
- Ms. Chester said that she is a vaccine injured individual but not from the Covid-19 vaccine. She said that she chose to get the vaccine and that it how it should be.
- Ms. Chester said that no person, regardless of their personal situation, should be discriminated against. She said that without HB 1099 discrimination has happened and will continue to happen.

Subject: Support HB 1099

Please support HB 1099 as it would prohibit HHS from requiring vaccine passports for services. While this bill could be broader to prohibit discriminatory vaccine passports across the board, it is a start to prohibit the State from getting involved in promoting them.

Thank you,
Anthony Ferrantello
