TESTIMONY

* Use asterisk if written testimony and/or amendments are submitted.

- **Senator David Watters** -- (Prime Sponsor)
  - This bill allows surveillance of park and ride facilities in certain circumstances
  - At the request of the Department of Safety for park and ride facilities
  - Let private entities business; right now they cannot use surveillance in these parking lots
  - How long can this be kept --

    -- Rep. Greg Hill: Q: Could you speak to the constitutional amendment about the right to privacy?
    A: This would be permissible; it is only for law enforcement to use for criminal aspects

- **Shelley Winters**, NH Department of Transportation (DOT) -- (Supports)
  - We are talking about mostly bus companies and 100,000 people in New Hampshire dropping off their cars and families
  - We feel they need a safe place
  - It will allow law enforcement to access the camera
  - Nine listed facilities and no other

    -- Rep. Charlie St. Clair: Q: Is the railroad station in Dover included?
    A: Not sure but UNH does have cameras

    -- Rep. Hill: Q: How long are the items being stored? You are only asking for what nine? What prevents them from being 24 days, if this is the longest and could be more if there are court cases
    A: I would have to look into other facilities

    -- Rep. George Sykes: Q: I think we had a bill for New London for the Park and Ride; why does this not cover all the others?

-- Rep. Ted Gorski: Q: Are we talking about surveillance?
A: We are talking about camera systems

-- Rep. Marc Plamondon: Q: Sounds like the surveillance will be supplied by the state; this bill will allow the facility provider to replace the equipment and use it

-- Rep. Hill: Q: Does this legislation involve strictly cameras?
A: Yes, additional types of surveillance would have to come back to legislation

Respectfully submitted,

Rep. Karel Crawford
Clerk
