NH State Veterans Cemetery Fee Schedule

Eligible Veteran (National Cemetery Administration—NCA)	No Fee
Eligible Dependents (NCA)	\$350
Selected Reserve Veteran - NH Resident	No Fee
Selected Reserve Dependent - NH Resident	\$350
Selected Reserve Veteran – NH non-resident	\$1,000
Selected Reserve Dependent – NH non-resident	\$1,000

Fees include the grave site, opening and closing of the grave, engraved headstone or niche marker, and perpetual care. For full-casket burials, pre-placed outer burial containers (OBC) are available free of charge in newer burial sections. In older full-casket sections, the family is responsible for the cost, delivery, and installation of an OBC through a funeral home.

See NH State Veterans Cemetery Eligibility & Operations dated May 2022 for Selected Reserve eligibility.

State residency is determined in accordance with DSMV 634A (Rev. 6/2019). Proof of residency for Selected Reserve at the time of death must be provided prior to scheduling an interment service.

Note 1: For each veteran interment, the NHSVC receives a plot allowance from the Department of Veterans Affairs (VA) determined by veteran's date of death and in accordance with NCA Directive 3210/1 and public law affecting the NCA. As of October 1, 2024, the plot reimbursement fee is \$978.

Note 2: Costs are exclusive of fees charged by the funeral home (e.g. retrieval of remains, cremation, casket, etc.)
