May 13, 2025

2025-2150s

Amendment to HB 10-FN

Amend the title of the bill by replacing it with the following:

AN ACT establishing a parental bill of rights.

Amend the bill by replacing all after the enacting clause with the following:

1 Declaration of Purpose.

I. The general court finds and affirms that parents have a fundamental liberty interest to raise and care for their minor children, as well as make decisions concerning their care and custody, and this fundamental liberty interest is protected under both the federal and New Hampshire constitutions.

II. The general court further finds that it is a child's parents who have the responsibility, means, and resources to ensure that a child receives appropriate health care, social support, religious guidance, and moral inculcation to develop into happy and productive members of society.

III. Accordingly, the general court further finds that parents have the right to access, be notified of, and be provided with all information relating to these rights, and that it is necessary to establish a consistent mechanism for parents to be notified of information relating to the health, well-being, and educational progress of their minor children while those children are in the custody and control of a school or any other government entity.

2 New Chapter; Parental Bill of Rights. Amend RSA by inserting after 169-H the following new chapter.

CHAPTER 169-I PARENTAL BILL OF RIGHTS

169-I:1 Short Title. This chapter may be cited as the Parental Bill of Rights.

169-I:2 Definitions. In this chapter:

I. "Parent" means a person who is the legal natural or adoptive parent of a minor child. A legal guardian appointed pursuant to RSA 463:2, IV shall be deemed to be a parent for as long as guardianship is in force. The term "parent" shall not apply to a person whose rights to a child have been either voluntarily surrendered or involuntarily terminated pursuant to law.

II. "Parental rights and responsibilities" shall have the same meaning as care, custody, and control, and shall include parenting time, decision making, and residential responsibility pursuant to RSA 461-A:1, et seq. Parents for whom such rights to care, custody, or control of a child have been abridged, halted, modified, or suspended, shall have their rights restored upon a showing by a preponderance of the evidence that it is in the child's best interest, and the child is returned to parental care.

III. "Minor" means an unemancipated person under the age of 18 years.

IV. "Compelling state interest" means the governmental interest in the welfare of a child which includes, but is not limited to, parental rights and responsibilities pursuant to RSA 461-A:1 or abuse or neglect pursuant to RSA 169-C:3.

V. "School" shall include, without limitation, any public school board, public school district, public school administrative unit, or public charter school.

VI. "School personnel" shall include any teacher, administrator, employee, or other individual acting in furtherance of or on behalf of any public school.

VII. "Infringement" for the purposes of this chapter includes, but is not limited to, knowingly concealing or withholding information required to be disclosed to a minor child's parent pursuant to this chapter or providing intentionally misleading or intentionally inaccurate responses.

169-I:3 Infringement of Parental Rights Prohibited. The state; any of its political subdivisions, including, without limitation, any school; any other governmental entity; or any other institution may not infringe on the fundamental rights of a parent to direct the upbringing, education, health care, and mental health of his or her minor child without demonstrating that such action is necessary to achieve a compelling state interest, that such action is narrowly tailored, and that such interest is not otherwise served by less restrictive means.

169-I:4 Parental Rights.

I. All parental rights are reserved to the parent(s) of a minor child in this state without obstruction or interference from the state, any of its political subdivisions, including, without limitation, any school, any other governmental entity, or any other institution. These rights include, but are not limited to, the right:

(a) To direct the upbringing and the moral or religious training.

(b) To direct the education, including the right to choose to enroll the minor child in an assigned resident public school, a public charter school, a non-public school, including a religious school, a home education program, or any other state-based education program, as authorized by law, as an alternative to public education, as set forth in RSA 193:1 and RSA 194-F:1, et seq.

(c) To request that a minor child be enrolled in a public school other than the public school assigned to them by their residence to avoid a manifest educational hardship, as set forth in RSA 193:3.

(d) To enroll his or her minor child in gifted or special education programs if the child qualifies for such programs.

(e) To inquire of the school or school personnel and promptly receive accurate, truthful, and complete disclosure regarding any and all matters related to their minor child, unless an immediate answer cannot be provided when the initial request is made, in which case, the answer shall be provided no later than 10 business days after the request.

(f) To be informed of the school's policy regarding discipline policies and procedures, as set forth in RSA 193:13.

(g) To obtain access for a minor child to public curricular courses and co-curricular programs offered by the local school district where the student resides while choosing to enroll their child in a non-public, public chartered, home education, or any other state-based education program, as set forth in RSA 193:1-c and RSA 194-F:2, II(d).

(h) To inspect any instructional material used as part of the educational curriculum within a reasonable period following a request, as set forth in 20 U.S.C. section 1232h(c)(1)(C).

(i) To opt out of health or sex education and any other objectionable material, as set forth in RSA 186:11, IX-b and IX-c.

(n) To receive a school report card and be informed of his or her minor child's attendance requirements and compliance with such requirements.

(o) To access and review all education records relating to their minor child within 10 business days after the day the school receives a request for access, as set forth in RSA 189:66, IV and 34 C.F.R. 99.5.

(p) To consent in writing before the state or any of its political subdivisions, including, without limitation, any school; pursuant also to the provisions of RSA 3 189:68, III-V makes a video or voice recording, unless such recording is made during or as part of a court proceeding or part of a forensic interview in a criminal or other investigation by the bureau of child protective services or it is to be used solely for the purpose of a safety demonstration, including the maintenance of order and discipline in the common areas of a school or on student transportation vehicles.

(q) To be notified whenever seclusion or restraint has been used on their minor child as set forth in RSA 126-U:7.

(r) To be notified promptly if an employee of the state, any of its political subdivisions, any other governmental entity, or any other institution suspects that a criminal offense has been committed against his or her minor child, unless the incident has first been reported to law enforcement or the bureau of child protective services, and notifying the parent would impede the investigation.

(s) To be informed of, and provide consent to, any medical procedure or treatment to be performed on their minor child, except pursuant to RSA 132:34, RSA 141C:18, or for the provision of emergency medical treatment, including mental health treatment.

(t) To access and review all medical records of their minor child maintained by a school or school personnel, unless otherwise prohibited by law.

(u) To make health care decisions unless otherwise prohibited by law.

(v) To be physically present at any health care facility providing care pursuant to RSA 151:2.

(w) To consent in writing before a biometric scan is made, shared, or stored pursuant to RSA 189:65 and RSA 189:68.

(x) To consent in writing before any blood or deoxyribonucleic acid (DNA) is created, stored, or shared, except as required by law or pursuant to a court order.

(y) To exempt their minor child from immunizations if, in the opinion of a physician, the immunization is detrimental to the child's health or because of religious beliefs, as set forth in RSA 141-C:20-a and RSA 141-C:20-c.

II. Federal law provides for additional parent and family involvement for schools that are receiving Title I, Part A; Title I, Part C (migrant); Title III, Part A (EL) funds, including:

(a) The right to receive information, including student reports, in an understandable and uniform format and to the extent practicable, in a language that parents can understand, as set forth in 20 U.S.C. sections 1112(e)(4); 1114(b)(4); 1116(e)(5); and 1116(f).

If any person commits such a violation after one or more prior offenses as defined in RSA 318-B:27, such person may be sentenced to a maximum term of life imprisonment, a fine of not more than \$500,000, or both:

(1) Five ounces or more of a mixture or substance containing any of the following, including any adulterants or dilutants:

If a defendant charged under this subparagraph cooperates with a law enforcement investigation which results in an arrest or conviction, the defendant shall not be subject to the minimum term of imprisonment outlined in this subparagraph. The court may not defer, combine, or run concurrently with any other sentence the mandatory minimum unless:***

(A) The offender was less than 18 years of age at the time of the commission of the offense for which the offender is to be sentenced;

(B) The offender's mental capacity, at the time of the commission of the offense for which the offender is to be sentenced, was significantly impaired to the extent that the defendant was deemed incompetent. However, a voluntarily induced intoxicated or drugged condition may not be considered an impairment for the purposes of this subparagraph; or

(C) The offender was an accomplice, the conduct constituting the offense was principally the conduct of another, and the offender's participation was relatively minor.

(4) Methamphetamine or its analog, in a quantity of 5 ounces or more, including adulterants or dilutants.

3 Controlled Drug Act; Penalties. Amend RSA 318-B:26, IX to read as follows:

IX. Any person who manufactures, sells, or dispenses methamphetamine, lysergic acid[?] diethylamide (**LSD**), phencyclidine (PCP) or any other controlled drug classified in schedules I or II, or any controlled drug analog thereof, in violation of RSA 318-B:2, I or I-a, ***excluding any fentanyl class drug, including any adulterants or dilutants***, is strictly liable for a death which results from the injection, inhalation, or ingestion of that substance, and may be sentenced to imprisonment for life or for such term as the court may order. ***Any person who manufactures, sells, or dispenses a fentanyl class drug, including any adulterants or dilutants, in violation of RSA 318-B:2, I or I-a, is strictly liable for a death which results from the injection, inhalation, or ingestion of that substance, and may be sentenced to imprisonment for life or for such term as the court may order, except that such term shall not be less than 5 years of imprisonment if the person knew or should have reasonably known the substance contained fentanyl, including any adulterants or dilutants.*** For purposes of this section, the person's act of manufacturing, dispensing, or selling a substance is the cause of a death when:

(a) The injection, inhalation or ingestion of the substance is an antecedent but for which the death would not have occurred; and

(b) The death was not:

(1) Too remote in its occurrence as to have just bearing on the person's liability; or

(2) Too dependent upon conduct of another person which was unrelated to the injection, inhalation or ingestion of the substance or its effect, as to have a just bearing on the person's liability. It shall not be a defense to a prosecution under this section that the decedent contributed to his own death by his purposeful, knowing, reckless or negligent injection, inhalation or ingestion of the substance or by his consenting to the administration of the substance by another. Nothing in this section shall be construed to preclude or limit any prosecution for homicide. A conviction arising under this section shall not merge with a conviction of one as a drug enterprise leader or for any other offense defined in this chapter.

SUNDAY, JUNE 22, 2025

On Sunday, June 22, 2025, at 3:00 pm there will be an event commemorating the Bicentennial of Lafayette's visit to the NH State House. The American Friends of Lafayette will be joined by Ben Goldman of Washington, D.C. who has performed as the Marquis de Lafayette for almost two decades. He will arrive to the front of the State House in a horse-drawn carriage and will be welcomed to the State House by the Speaker Sherman Packard, Senate President Sharon Carson, and Governor Kelly Ayotte. Everyone is invited to gather in the House of Representatives for a reenactment of the 1825 special joint session to welcome the Marquis de Lafayette.

Please note: The special joint session is only a reenactment, and legislators are not required to attend. We do encourage those who would like to participate as audience members for the reenactment to feel free to do so. This is a voluntary event, there will be no assigned seating, and mileage will not be paid.
