AMENDED ANALYSIS

This bill:

I. Directs pharmacists to dispense brand name drugs to Medicaid beneficiaries when the brand name drug is on the department of health and human services preferred drug list.

II. Directs the department of health and human services to develop a standing order for certain Medicaid-covered, over-the-counter medications, medical supplies, and laboratory tests when deemed medically necessary and cost effective by the department.

III. Repeals the requirement that expanded Medicaid, also known as the New Hampshire granite advantage health care program, be terminated if the federal match rate falls below 90 percent.
