METHODOLOGY:

This bill puts time limitations on investigations conducted by the Office of Professional Licensure and Certification (OPLC) in response to allegations of professional misconduct. Within 30 days of receiving an allegation of professional misconduct, the OPLC shall determine whether the allegation constitutes a claim of professional misconduct. If the Board agrees it does constitute a claim, the OPLC has 90 days to complete an investigation and report to the Board it's findings by the Board's next regularly scheduled meeting. The Board has the ability to make a final determination or extend the investigation if the investigation is incomplete after the 60 days.

The OPLC indicates that in order to comply with the statutory time limits in this legislation they would need to add five new investigative paralegals, one paralegal, and an off-schedule physician investigator for the Board of Medicine. However, legislation does not provide funding nor does it authorize new positions.

Additionally, the OPLC anticipates having to raise fees for all boards by an indeterminable increase to offset the costs of the new positions. The anticipated fiscal impact from the OPLC is in the amount of \$500,000 to \$1,000,000.

The position salaries are estimated as follows with the additional cost of \$50,000 total for equipment and other office supplies as well as an off-schedule physician investigator with the estimated starting salary at approximately \$140,114.

INVESTIGATIVE PARALEGAL(S)			
	FY 2026	FY 2027	FY 2028
Total Salary and Benefits (Rounded)	\$117,000	\$118,000	\$123,000
Total Number of Positions	5	5	5
Total Cost for All Positions	\$585,000	\$590,000	\$615,000

PARALEGAL II			
	FY 2026	FY 2027	FY 2028
Total Salary and Benefits (Rounded)	\$96,000	\$98,000	\$101,000
Total Number of Positions	1	1	1
Total Cost for All Positions	\$96,000	\$98,000	\$101,000

It is assumed that any fiscal impact would occur after FY 2025.
