3 155-A:14 Youth Recreation Camp Cabins.

4 I. Residential cabins in youth recreation camps as defined in RSA 170-E:55 shall meet the
5 applicable existing chapter in the state building code, provided however, that no new or renovated
6 structures used as youth recreation camp cabins shall require automatic sprinkler systems. For
7 purposes of this section only, all new residential facilities for youth summer recreation camps shall
8 be limited to 2 stories above grade.

9 II. Residential cabins shall not be required to have electrical, mechanical, or plumbing.
10 However, if a residential cabin does have such system the applicable state building code shall be
11 followed.

12 2 New Paragraph; State Fire Code. Amend RSA 153:5 by inserting after paragraph VI the
13 following new paragraph:

14 VII. Residential cabins in youth recreation camps as defined in RSA 170-E:55 shall meet the
15 applicable existing chapter in the state fire code, provided however, that no new or renovated
16 structures used as youth recreation camp cabins shall require automatic sprinkler systems. For
17 purposes of this section only, all new residential facilities for youth summer recreation camps shall
18 be limited to 2 stories above grade.

19 3 Effective Date. This act shall take effect 60 days after its passage.
