**EXECUTIVE DEPARTMENTS AND ADMINISTRATION**

**SB 401-FN**, relative to removing an obsolete annual reporting requirement by municipal overseers of public welfare to the department of health and human services and repealing the department of health and human services reporting requirement on 10-year demographic cost projections.

Ought to Pass, Vote 4-0.

Senator Bill Gannon for the committee.

SB 401-FN removes now-defunct reporting requirements for municipal public welfare officials and the department of health and human services. Additionally, it eliminates the 10-year demographic cost projections requirements, for which there is no longer an organization to submit reports to.
