THE COMMITTEE ON Commerce

to which was referred **SB 524**

AN ACT

enabling on-premises licensees to deliver liquor to  
customers who order a meal for home delivery.

Having considered the same, the committee recommends that the Bill

OUGHT TO PASS WITH AMENDMENT

BY A VOTE OF: 6-0

AMENDMENT # 2026-0348s

Senator Tara Reardon  
For the Committee

This bill would enable on-premises licensees to deliver liquor to customers who order a meal for home delivery. Liquor would be required to be transported in its original container with proper labeling by a W-2 employee. This would help to ensure there is a clear chain of custody from the restaurant, the employee that delivered it, and the person who signed it. The Committee Amendment would establish a commission to study the development of a regulatory framework for tincture products containing alcohol.
