Amendment to HB 506-FN

1 Amend RSA 159-D:4, II(b) as inserted by section 1 of the bill by replacing it with the following:

2

3 (b) The department of safety shall initiate a NICS check and shall provide a conclusive
4 response to the court within 10 business days of receiving the court's request stating either "proceed"
5 or "deny." A "deny" response shall only be provided if the NICS check depicts that the individual is
6 prohibited from possessing a firearm pursuant to state or federal law or it is known to the
7 department of safety that such individual is explicitly prohibited from possessing said property by a
8 state or federal statute. If the NICS check is inconclusive and the department of safety cannot
9 explicitly demonstrate that the individual is prohibited from possessing a firearm within 10 business
10 days of the court's request, the department of safety may provide a "proceed" response to the
11 requesting court.
