AN ACT	allowing persons under 21 into veterans' clubs, private clubs, and social clubs under certain conditions.
--------	---

Having considered the same, the committee recommends that the Bill

OUGHT TO PASS

BY A VOTE OF: 5-0

Senator Keith Murphy
For the Committee

This bill would allow individuals under 21 into veterans' clubs, private clubs, and social clubs if they are accompanied by a parent, legal guardian, or adult spouse, or if they present a valid military identification card. When an underage individual attends an event in one of these venues, they must be signed in and their age must be listed unless they have a military identification card. When a club is using a supplemental license, this bill would allow any individual under 21 to be allowed in rentable rooms approved by the Liquor Commission when beverages, specialty beverages, and liquor are served without a parent or guardian present.
