AMENDED ANALYSIS

This bill:

I. Transfers authority over pooled risk management programs from the secretary of state to the insurance department.

II. Requires pooled risk management programs to be licensed by the insurance department.

III. Allows pooled risk management programs to establish a guaranty fund to protect from financial impairment.

IV. Requires pooled risk management programs to seek to maintain certain amounts in excess or stop loss coverage, unless the insurance commissioner determines that a lesser amount is appropriate.

V. Allows pooled risk management programs to issue assessable policies.

VI. Allows the insurance commissioner to examine the financials of pooled risk management programs under certain conditions.

VII. Provides that no childhood immunization requirement shall require a vaccine that has not been shown in clinical trials to prevent transmission of any disease.
