THE COMMITTEE ON Health and Human Services

to which was referred **SB 133-FN**

AN ACT

relative to the designation of emergency medical services performed by ambulance service providers as essential services.

Having considered the same, the committee recommends that the Bill

OUGHT TO PASS

BY A VOTE OF: 4-0

Senator Suzanne Prentiss
For the Committee

This bill provides that ambulance service providers are essential service providers for purposes of emergency management at the state and local level. This simple change will specify their role in emergency management and account for the fact that ambulance service providers are often the first to arrive at emergency scenes along with other first responders. Therefore, we recommend this bill ought to pass.
