BY A VOTE OF: 4-0

AMENDMENT # 2026-1001s

Senator David Watters
For the Committee

SB 538-FN will establish long-term eligibility for certain customer-generators to receive net energy metering compensation as approved by the public utilities commission. It also outlines conditions for transitioning to future tariffs. Amendment 1001s would add a deadline for applications requiring they be submitted before December 31st 2031.
