

STATE OF NEW HAMPSHIRE

SENATE

REPORT OF THE COMMITTEE
FOR THE CONSENT CALENDAR

Wednesday, March 4, 2026

THE COMMITTEE ON Energy and Natural Resources

to which was referred **SB 449-FN**

AN ACT

relative to the participation of large customer-
generators in net metering.

Having considered the same, the committee recommends that the Bill

OUGHT TO PASS WITH AMENDMENT

BY A VOTE OF: 5-0

AMENDMENT # 2026-1000s

Senator David Watters
For the Committee

SB449 as amended, requires electric distribution utilities to offer alternative net metering tariffs to eligible customer-generators in line with the Public Utility commission's net metering rules. It also authorizes energy storage alongside net metering and directs the Department of Energy to establish rules for the installation and interconnection of such systems.

Joshua Schauer 271-3077

FOR THE CONSENT CALENDAR

ENERGY AND NATURAL RESOURCES

SB 449-FN, relative to the participation of large customer-generators in net metering.

Ought to Pass with Amendment, Vote 5-0.

Senator David Watters for the committee.

SB449 as amended, requires electric distribution utilities to offer alternative net metering tariffs to eligible customer-generators in line with the Public Utility commission's net metering rules. It also authorizes energy storage alongside net metering and directs the Department of Energy to establish rules for the installation and interconnection of such systems.
