IS INEXPEDIENT TO LEGISLATE

BY A VOTE OF: 4-0

Senator Howard Pearl
For the Committee

HB 1472 would allow licensees involved in lead abatement, inspection, or educational services to reapply for licensure two years after receiving an initial notice of license revocation. The concerns about the bill focused on the possibility that a licensee could reapply for their licensure while still in the middle of an appeals process. Additionally, there is already a process for reapplication in rules.
