Amendment to SB 188-FN

1 Amend RSA 155-A:14, I as inserted by section 4 of the bill by replacing it with the following:

2

3 I. "Development document" means a document, such as a building plan, site plan, or an  
4 application for a building permit, relating to building code compliance, which is required by state or  
5 local law or regulation or by a regulatory authority to initiate, engage in, or complete an  
6 improvement, but which does not include applications or documents for zoning or planning  
7 approvals.
