

Amendment to HB 1141

1 Amend the title of the bill by replacing it with the following:

2

3 AN ACT relative to permitting and fee authority for mining and prospecting.

4

5 Amend the bill by replacing all after the enacting clause with the following:

6

7 1 New Paragraph; Definition; Dimension Stone. Amend RSA 485-A:2 by inserting after  
8 paragraph III-a the following new paragraph:

9 III-b. "Dimension stone" means rock that is cut, shaped, or selected for use in blocks, slabs,  
10 sheets, or other construction units of specified shapes or sizes and used for external or interior parts  
11 of buildings, foundations, curbing, flagging, bridges, or revetments, or for other architectural or  
12 engineering purposes. Dimension stone includes quarry blocks from which sections of dimension  
13 stone are to be produced. Dimension stone does not include earth as defined in RSA 155-E:1, I.

14 2 New Paragraphs; Definitions; Mining; Operator. Amend RSA 485-A:2 by inserting after  
15 paragraph VII-a the following new paragraphs:

16 VII-b. "Mining" means all activities performed in the extraction of minerals and that create  
17 or make use of one or more components of a mine.

18 VII-c. "Mineral" means copper, gold, silver, diatomite, feldspar, garnet, lime, thorium,  
19 uranium, and any similar solid material or metal substance to be excavated or extracted from  
20 natural deposits or formations on or in the earth or in or underneath water, and shall include those  
21 solid materials made up of minerals, such as rock and dimension stone, sand, gravel, and  
22 construction aggregate to be excavated from natural deposits or formations on or in the earth or in or  
23 underneath water, or for quarrying or crushing of rock or bedrock for the purpose of producing  
24 construction aggregate.

25 3 New Section; Exemptions. Amend RSA 485-A by inserting after section 2 the following new  
26 section:

27 485-A:2-a Exemptions. The following shall not be subject to this chapter:

28 I. Mining activities in existence before August 24, 1979.

29 II. The crushing of rock for the purpose of producing construction aggregate regulated  
30 pursuant to RSA 155-E.

31 4 New Paragraphs; Definitions; Reclamation; Rock; Septage. Amend RSA 485-A:2 by inserting  
32 after paragraph IX-a the following new paragraphs:

**Amendment to HB 1141**

**- Page 2 -**

1 IX-b. "Reclamation" means the restoration of the affected site by grading, backfilling,  
2 compacting, and landscaping to a comparable natural contour and the reestablishment of a diverse,  
3 effective, permanent vegetative cover of the same variety previously occurring in the area which is  
4 capable of self-regeneration and plant succession equal to or greater than the land's productive  
5 capacity prior to the mining activities.

6 IX-c. "Rock" means granite, schist, quartzite, and any other solid material consisting of  
7 minerals.

8 IX-d. "Prospect" means to explore for ores, rocks, or minerals performed by a company or  
9 professional agent in the business of mineral deposit exploration and development, using  
10 mechanized equipment such as a core drill.

11 5 Water Pollution and Waste Disposal; Rulemaking. Amend RSA 485-A:6, VIII to read as  
12 follows:

13 VIII. The requirements for a permit under RSA 485-A:17, ***including requirements for***  
14 ***financial assurance and reclamation with applications for mining and prospecting***  
15 ***clients.***

16 6 Terrain Alteration. Amend RSA 485-A:17, I-II(a) to read as follows:

17 I. Any person proposing to dredge, excavate, place fill, mine, ***prospect***, transport forest  
18 products or undertake construction in or on the border of the surface waters of the state, and any  
19 person proposing to significantly alter the characteristics of the terrain, in such a manner as to  
20 impede the natural runoff or create an unnatural runoff, shall be directly responsible to submit to  
21 the department detailed plans concerning such proposal and any additional relevant information  
22 requested by the department, at least 30 days prior to undertaking any such activity. The  
23 operations shall not be undertaken unless and until the applicant receives a permit from the  
24 department. The department shall have full authority to establish the terms and conditions under  
25 which any permit issued may be exercised, giving due consideration to the circumstances involved  
26 and the purposes of this chapter, and to adopt such rules as are reasonably related to the efficient  
27 administration of this section, and the purposes of this chapter. Nothing contained in this  
28 paragraph shall be construed to modify or limit the duties and authority conferred upon the  
29 department under RSA 482 and RSA 482-A.

30 II.(a) The department shall charge a fee for applications, including project inspections,  
31 required under this section. For projects that qualify for a permit by notification allowed by  
32 paragraph II-a, the application fee for a permit by notification shall be \$3,125. Except for projects  
33 that qualify for a permit by notification allowed by paragraph II-a, the fee for [H]applications  
34 encompassing an area of at least [H]150,000 square feet but less than 200,000 square feet shall be  
35 \$6,250. An additional fee of \$2,500 shall be assessed for each additional area of up to 100,000 square  
36 feet to be disturbed. For any property subject to RSA 483-B:9, the fee for review of plans  
37 encompassing an area of at least 50,000 square feet but less than 150,000 square feet shall be

**Amendment to HB 1141**

**- Page 3 -**

1 \$5,000. For all other projects, the fee shall be [~~\$500~~] **\$250** plus [~~\$0.005~~] **\$0.04** per square foot of  
2 disturbance. No application shall be accepted by the department until the fee required by this  
3 paragraph is paid. All fees required under this paragraph shall be paid when plans are submitted  
4 for review and shall be deposited in the water resources fund established in RSA 482-A:3, III.

5 (b) The department shall charge a non-refundable fee of \$500 for each request to amend  
6 a permit that requires plans to be reviewed.

7 7 New Paragraphs; Water Pollution and Waste Disposal; Enforcement. Amend RSA 485-A:17  
8 by inserting after paragraph V the following new paragraphs:

9 VI. In addition to the fees provided for in section II above, the commissioner shall establish  
10 a fee based on the volume of minerals, except for excavation of earth as defined in RSA 155-E:1  
11 extracted by mining or prospecting permitted by the department. The fee, as determined by the  
12 commissioner, shall be adequate to cover all costs associated with reviewing and acting upon permits  
13 issued under this section, monitoring compliance, enforcement and all other costs associated with  
14 permits issued under this section. All fees required under this paragraph shall be deposited in the  
15 water resources fund established in RSA 482-A:3, III.

16 VII. During the transition period, the following provisions shall apply:

17 (a) Any applications filed in accordance with RSA 12-E and are pending with the  
18 commissioner of the department of natural and cultural resources as of the date the department's  
19 rules become effective shall be processed in accordance with RSA 12-E and rules adopted in  
20 accordance with RSA 12-E.

21 (b) The commissioner of the department of natural and cultural resources will consult  
22 with the commissioner regarding any terms and conditions of permits issued during the transition  
23 period under paragraph (a).

24 (c) Upon the date the department's rules authorized under this section become effective,  
25 all subsequent applications will be filed and processed in accordance with this section and rules  
26 promulgated by the department. The provisions of RSA 12-E shall not apply to such applications.

27 (d) All permits issued during the transition period in accordance with paragraph (a) will  
28 be treated as being issued in accordance with this section for purposes of applications for permit  
29 modification, monitoring, enforcement and renewal.

30 8 Department of Environmental Services; Geological Survey. Amend RSA 21-O:12, II to read as  
31 follows:

32 II. Geology shall be under the direction of the state geologist, who shall be the director of the  
33 New Hampshire geological survey. The geological survey shall collect data and perform research on  
34 the land, mineral, and water resources of the state, and disseminate the findings of such research to  
35 the public through maps, reports, and other publications. The state geologist shall: consult with the  
36 commissioner of the department of natural and cultural resources relative to the issuance of mining  
37 permits under RSA [~~12-E~~] **485-A:17**; assist the directors of the divisions of water and waste

**Amendment to HB 1141**

**- Page 4 -**

1 management as necessary; and perform such other duties as may be assigned by the commissioner.  
2 The state geologist and all members of the New Hampshire geological survey shall be staff members  
3 of the commissioner's office. The state geologist shall advise the department, and all other branches  
4 of state and local government, concerning the geologic character of the state and its implications for  
5 both economic and scientific needs in conjunction with all existing and future environmental factors  
6 relating to the geology of the state. The state geologist shall maintain liaison with federal and other  
7 state geologic agencies and with the state university. The state geologist shall also serve as a voting  
8 member of the board of professional geologists.

9 9 Local Regulation Excavations; Exceptions. Amend RSA 155-E:2-a, I(c) to read as follows:

10 (c) Excavation from a granite quarry for the purpose of producing dimension stone, if  
11 such excavation requires a permit under RSA ~~[12-E]~~ **485-A:17**.

12 10 Fill and Dredge in Wetlands; Mining Permit. Amend RSA 482-A:3, XI(c) to read as follows:

13 (c) Any person wishing to engage in mineral dredging which in any way exceeds the  
14 limits of small motor mineral dredging shall first obtain, in addition to a wetlands permit, a mining  
15 permit from the department of natural and cultural resources pursuant to RSA ~~[12-E]~~ **485-A:17**.

16 11 New Hampshire Rivers Management and Protection Program; Mining Permit. Amend RSA  
17 483:12-a, I to read as follows:

18 I. Any state agency considering any action affecting any river or segment designated under  
19 this chapter shall notify the rivers coordinator and the local river management advisory committee  
20 prior to taking any such action. Such agency shall forward to the rivers coordinator and the local  
21 river management advisory committee for review and comment copies of all notices of public  
22 hearings, or, where a public hearing is not required, a copy of the application for issuance of a  
23 permit, certificate, or license within the designated river or corridor under RSA 485-C, RSA 485-A,  
24 RSA 483-B, ~~[RSA 12-E,]~~ RSA 270:12, RSA 482, RSA 482-A, except notifications for minimum impact  
25 activities under RSA 482-A:3, V and XII and for routine roadway maintenance under RSA 482-A:3,  
26 XVI on land used for agricultural purposes, RSA 149-M, RSA 430, or RSA 147-A. If an agency is  
27 notified by the rivers coordinator that a proposed activity would violate a protection measure under  
28 RSA 483:9, 483:9-a, 483:9-aa, or 483:9-b, such agency shall deny the application.

29 12 Repeal. The following are repealed:

30 I. RSA 12-E, relative to mining and reclamation.

31 II. RSA 6:12, I(b)(107) relative to mining and reclamation dedicated fund.

32 13 Effective Date.

33 I. Sections 8 through 12 of this act shall take effect 2 years after its passage.

34 II. The remainder of this shall take effect upon passage.

**Amendment to HB 1141**

2026-0430h

AMENDED ANALYSIS

This bill adds definitions for mining-related terms, authorizes rulemaking for permitting, reclamation, and fees based on mineral volume, and establishes a transition period for pending applications under the current law.
