

Amendment to SB 432-FN

1 Amend the title of the bill by replacing it with the following:

2

3 AN ACT authorizing the application of sunscreen in schools and camps without a licensed  
4 health care provider's note or prescription and establishing a skin cancer prevention  
5 education program.  
6

7 Amend RSA 200:47-a, I as inserted by section 2 of the bill by replacing it with the following:

8

9 I. A pupil may possess and use a topical sunscreen product while on school property or at a  
10 school-sponsored event or activity without a licensed health care provider's note or prescription if the  
11 product is regulated by the federal Food and Drug Administration for over-the-counter use for the  
12 purpose of limiting ultraviolet light-induced skin damage.  
13

14 Amend RSA 170-E:62-a, I as inserted by section 3 of the bill by replacing it with the following:

15

16 I. A participant in a recreation camp may possess and use a topical sunscreen product while  
17 attending such camp without a licensed health care provider's note or prescription if the product is  
18 regulated by the federal Food and Drug Administration for over-the-counter use for the purpose of  
19 limiting ultraviolet light-induced skin damage.

AMENDED ANALYSIS

This bill permits the self-application of sunscreen by children in schools and camps without the requirement of a prescription or a licensed health care provider's note. The bill authorizes specific school and camp personnel to apply sunscreen to a child with permission of the child's parent or guardian. The bill also establishes a skin cancer prevention education program in public schools.
