13 expenses and maintenance costs, there shall be paid the interest and principal on the bonds issued
14 to finance the system. No part of such revenues shall, by transfer of funds or otherwise, be diverted
15 to any other purpose whatsoever. Fourteen days previous to the time any interest or principal is
16 payable, on any general obligation bonds issued to finance the system, the state treasurer shall
17 examine the existing balance and, except as otherwise provided in RSA 237:10, if such balance is
18 insufficient to make the payment, then he *or she* shall notify the governor who shall immediately
19 draw his *or her* warrant on the highway fund to cover any deficit and if the funds in both of the
20 above accounts are insufficient, the governor shall draw his *or her* warrant upon the state's general
21 fund to the amount necessary to meet the payments. Any funds paid out from the state's highway
22 fund or general fund for the above purposes shall be reimbursed from the collection of tolls as soon
23 as such funds are available. Any funds that have been or may be expended for any portion of the
24 system by the department of transportation shall be repaid to said department when, in the opinion
25 of the governor and council, sufficient funds are available. Any excess income may be used for
