5 governor and council may transfer surplus state owned property to the authority for certain uses  
6 consistent with the authority's purpose under the following procedure:

7 I. The authority shall petition the department to acquire property the authority determines  
8 to be suitable for purposes authorized by RSA 162-A:6, and such petition shall include a certification  
9 of the authority's intention to use the property for such authorized purposes. The petition shall also

23 set forth in RSA 4:39-c or RSA 4:40, then the committee's review shall be limited to whether any  
24 circumstances have changed that would affect its original determination. If the committee

9 authorized by RSA 162-A:6.

11 chapter if the tenant, purchaser, or transferee enters into a written agreement with the authority  
12 that the property will be used in a manner authorized by RSA 162-A:6. If any property so leased,  
13 sold, or transferred ceases to be used in such a manner, ownership and/or control of the property
