CHAPTER 420-R

6

POLITICAL SUBDIVISION RISK MANAGEMENT PROGRAMS

7

420-R:1 Purpose. The purpose of this chapter is to provide for the establishment of political
8 subdivision risk management programs and to affirm the status of such programs established for the
9 benefit of political subdivisions of the state. The legislature finds and determines that insurance and
10 risk management are essential to the proper functioning of political subdivisions; that risk
11 management can be achieved through the purchase of traditional insurance or by participation in
12 pooled risk management programs established for the benefit of political subdivisions; that pooled
13 risk management is an essential governmental function by providing focused public sector loss
14 prevention programs, accrual of interest and dividend earnings, which may be returned to the public
15 benefit, and establishment of costs predicated solely on the actual experience of political subdivisions
16 within the state; that the resources of political subdivisions are presently burdened by the securing
17 of insurance protection through standard carriers; and that risk management programs that meet
18 the standards established by this chapter should not be subject to taxation by the state and, except
19 as specifically set forth in this chapter, should not be subject to insurance regulation.

20

8 management of the arrangement.

9 (b) An employee or official of a participating political subdivision shall not accept or
10 solicit anything of value for personal benefit or for the benefit of others under circumstances in
11 which it can be reasonably inferred that the employee's or official's independence of judgment is
12 impaired with respect to the management and operation of the arrangement.

13 III. The commissioner shall not grant or continue approval of a program until such time as
14 the program replaces any director found by the commissioner, upon the presentation of sufficient
15 evidence:

16 (a) To be incompetent;

17 (b) To be guilty of, or to have pleaded guilty or no contest to, a felony or a crime
18 involving moral turpitude;

23 responsibility to act in the best interest of the political subdivision risk management program, which
24 shall include a duty of care to ensure prudent investment and use of assets, a duty of loyalty to act to
25 further the purposes and mission of the program, and a duty of obedience to comply with
26 organizational bylaws and applicable law.

27 420-R:7 Termination of Arrangement. If an arrangement is terminated for any reason, it shall
28 pay all outstanding claims, debts, and obligations. The arrangement may retain sufficient funds to
29 provide coverage for such additional period as the board of the arrangement considers prudent. In
30 addition, the program may purchase such additional insurance as they consider necessary for
31 protection against potential future claims. Any funds remaining in the arrangement after
32 satisfaction of all obligations upon termination shall be paid to participating entities as of the
33 termination date in some equitable manner meeting with the approval of the commissioner,
34 including, without ruling out other alternatives, equally on a per capita basis to each participating

- Page 9 -

1 I. Each political subdivision risk management program shall file with the insurance
2 commissioner a full schedule of the rates to be paid by participating members and shall obtain the
3 commissioner's approval prior to implementing any rate changes. Rates, rating factors, and all rules
4 necessary for the calculation of members' contributions shall be filed with the commissioner at least
5 60 days prior to implementation along with all relevant actuarial support that justifies the selection
6 of rates. The commissioner may refuse such approval if he or she finds the rates are excessive,
7 inadequate, or unfairly discriminatory.

8 II. All underlying information submitted to justify the rates to the extent the information
9 therein is not otherwise required to be publicly available, which is filed with the commissioner,
10 constitutes information that might be damaging to the risk pool management program if made
11 available to competitors and therefore shall be kept confidential by the commissioner. This
12 information shall not be made public or be subject to subpoena, other than by the commissioner and
13 then only for the purpose of enforcement actions taken by the commissioner pursuant to this chapter
14 or the applicable provisions of Title XXXVII.

15 III. All approved rates and rating manuals shall be publicly available.

16 420-R:9 Financial Reporting.

17 I. Each political subdivision risk management program shall prepare and file or transmit to
18 the commissioner an annual statement and subsequent quarterly statements under oath, in
19 accordance with the National Association of Insurance Commissioners Annual Statement Blank
20 following the National Association of Insurance Commissioners Annual Statement Instructions and
21 those accounting procedures and practices prescribed by the National Association of Insurance
22 Commissioners Accounting Practices and Procedure Manual or allowed as a permitted accounting
23 practice as provided in the manual.

24 II. The annual statement shall be due on or before March 1 each year. The commissioner
25 may extend the time for filing or transmitting such statement for cause shown and may approve an
26 alternative submission date. The commissioner may refuse to continue, or may suspend or revoke,
27 the approval for any political subdivision risk management program that fails to file or transmit its
28 annual statement when due.

29 III. In addition to the above, the commissioner may require from any person or entity
30 subject to this title:

31 (a) Statements, reports, including reports audited by independent public accountants,
32 answers to questionnaires, and other information and evidence thereof, in whatever reasonable form
33 the commissioner designates and at such reasonable intervals as the commissioner may choose, or
34 from time to time;

35 (b) Full explanation of the programming of any data storage or communications systems
36 in use; and

1 (c) That information from any books, records, electronic data processing systems,
2 computers, or any other information storage system be made available to him at any reasonable time
3 and in any reasonable manner.

4 IV. Any officer, manager, or general agent; any person with executive authority over or in
5 charge of any segment of such political subdivision risk management program's affairs; and any
6 insurance agent or other person licensed under the insurance code shall reply promptly in writing or
7 in other designated form to any written inquiry from the commissioner requesting a reply.

8 V. The commissioner may require that any communication made to him under this section
9 be verified.

10 VI. In the absence of actual malice, no communication required by the commissioner under
11 this section shall subject the person making it to an action for damages for defamation.

12 VII. The information obtained pursuant to this section shall be privileged.

13 VIII. Any director, officer, agent, or employee of a political subdivision risk management
14 program who subscribes to, makes, or concurs in making or publishing any annual or other
15 statement required by law, having actual knowledge that the same contains any material statement
16 that is false, shall be guilty of a misdemeanor if a natural person or guilty of a felony if any other
17 person.

18 IX. The commissioner may retain, without appropriation under RSA 9 and without
19 qualifying as a department expenditure under RSA 4:15, attorneys, independent actuaries,
20 independent certified public accountants, or other professionals or specialists to review financial
21 statements, the cost of which shall be borne by the company that is the subject of the financial
22 analysis. The political subdivision risk management program shall pay the retained professionals or
23 specialists directly for their costs. The commissioner shall conduct oversight of such independent
24 reviewers in a manner that is consistent with standards for the use of independent reviewers
25 established by the National Association of Insurance Commissioners in its Financial Condition
26 Examiners Handbook and shall ensure that costs are reasonable for the work performed.

27 420-R:10 Risk-Based Capital.

28 I. Every political subdivision risk management program shall, on or prior to each March 1,
29 prepare and submit to the commissioner a report of its RBC levels as of the end of the calendar year
30 just ended, in a form and containing such information as is required by the RBC instructions for
31 programs.

32 II. For life and/or ancillary health coverages, RBC shall be determined in accordance with
33 the formula set forth in the RBC instructions. The formula shall take into account, and may adjust
34 for, the covariance between:

35 (a) The risk with respect to the program's assets;

36 (b) The risk of adverse insurance experience with respect to the program's liabilities and
37 obligations;

1 (c) The interest rate risk with respect to the program's business; and

2 (d) All other business risks and such other relevant risks as are set forth in the RBC
3 instructions.

4 III. For property and casualty coverages, RBC shall be determined in accordance with the
5 formula set forth in the RBC instructions. The formula shall take into account and may adjust for
6 the covariance between:

7 (a) Asset risk;

8 (b) Credit risk;

9 (c) Underwriting risk; and

10 (d) All other business risks and such other relevant risks as are set forth in the RBC
11 instructions, determined in each case by applying the factors in the manner set forth in the RBC
12 instructions.

13 IV. For employee health plan coverages, RBC shall be determined in accordance with the
14 formula set forth in the RBC instructions. The formula shall take into account and may adjust for
15 the covariance between:

16 (a) Asset risk;

17 (b) Credit risk;

18 (c) Underwriting risk; and

19 (d) All other business risks and such other relevant risks as are set forth in the RBC
20 instructions.

21 V.(a) In the event of a company action level event, the program shall, within 45 days of the
22 event, prepare and submit to the commissioner an RBC plan. Within 60 days after the submission of
23 an RBC plan to the commissioner, the commissioner shall notify the program whether the RBC plan
24 shall be implemented or is, in the judgment of the commissioner, unsatisfactory. If the
25 commissioner determines the RBC plan is unsatisfactory, the notification to the program shall set
26 forth the reasons for the determination and may set forth proposed revisions that will render the
27 RBC plan satisfactory, in the judgment of the commissioner. Upon notification from the
28 commissioner, the program shall prepare a revised RBC plan, which may incorporate by reference
29 any revisions proposed by the commissioner.

30 (b) In the event of a regulatory action level event, the commissioner shall:

31 (1) Require the program to prepare and submit an RBC plan or, if applicable, a
32 revised RBC plan;

33 (2) Perform such examination or analysis as the commissioner deems necessary of
34 the assets, liabilities, and operations of the program, including a review of its RBC plan or revised
35 RBC plan; and

36 (3) Subsequent to the examination or analysis, issue an order specifying such
37 corrective actions as the commissioner shall determine are required.

Amendment to HB 1491
- Page 12 -

1 (c) In the event of an authorized control level event, the commissioner shall:

2 (1) Take such actions as are required with respect to which a regulatory action level
3 event has occurred; or

4 (2) If the commissioner deems it to be in the best interests of the policyholders and
5 creditors of the political subdivision risk management program and of the public, take such actions
6 as are necessary to cause the political subdivision risk management program to be placed under
7 regulatory control.

8 (d) In the event of a mandatory control level event, the commissioner shall take such
9 actions as are necessary to place the political subdivision risk management program under
10 regulatory control. Notwithstanding any of the foregoing, the commissioner may forego action for up
11 to 90 days after the mandatory control level event if the commissioner finds there is a reasonable
12 expectation that the mandatory control level event may be eliminated within the 90-day period.

13 VI. Any action by the commissioner related to RBC shall be a basis for requesting a hearing
14 pursuant to RSA 400-A:17, II (b). The program shall have the right to request a confidential
15 departmental hearing, on the record, at which the program may challenge any determination or
16 action by the commissioner. The program shall notify the commissioner of its request for a hearing
17 within 5 days after the notification by the commissioner. Upon receipt of the program's request for a
18 hearing, the commissioner shall set a date for the hearing, which date shall be no less than 10 and
19 no more than 30 days after the date of the program's request.

20 VII.(a) The commissioner may apply by verified petition to the superior court for Merrimack
21 county or for the county in which the principal office of the program is located for an order directing
22 him or her to take control of the program on any one or more of the following grounds:

23 (1) The program has encountered an authorized or mandatory control event;

24 (2) The commissioner has reasonable cause to believe that there has been
25 embezzlement from the program, wrongful sequestration or diversion of the program's assets,
26 forgery or fraud affecting the program, or other illegal conduct in, by, or with respect to the program
27 that, if established, would endanger assets in an amount threatening the solvency of the program;

28 (3) That information coming into the commissioner's possession has disclosed
29 substantial and not adequately explained discrepancies between the program's records and the most
30 recent annual report or other official program reports;

31 (4) That the program has failed to remove any person who in fact has executive
32 authority in the political subdivision risk management program, whether an officer, manager,
33 general agent, employee, or other person, if the person has been found by the commissioner after
34 notice and hearing to be dishonest or untrustworthy in a way affecting the program's business;

35 (5) That any person who in fact has executive authority in the program, whether an
36 officer, manager, general agent, employee, or other person, has refused to be examined under oath by
37 the commissioner concerning its affairs, whether in this state or elsewhere, and after reasonable

1 notice of the fact the program has failed promptly and effectively to terminate the employment and
2 status of the person and all his influence on management;

3 (6) That after demand by the commissioner the program has failed to submit
4 promptly any of its own property, books, accounts, documents, or other records, or those of any
5 company contracted to provide services to the program, or those of any person having executive
6 authority in the program so far as they pertain to the program, to reasonable inspection or
7 examination by the commissioner or an authorized representative. If the program is unable to
8 submit the property, books, accounts, documents, or other records of a person having executive
9 authority in the program, it shall be excused from doing so if it promptly and effectively terminates
10 the relationship of the person to the program;

11 (7) That without first obtaining the written consent of the commissioner, the
12 political subdivision risk management program has transferred, or attempted to transfer,
13 substantially its entire property or business, or has entered into any transaction the effect of which
14 is to merge, consolidate, or reinsure substantially its entire property or business in or with the
15 property or business of any other person;

16 (8) That the directors of the program are deadlocked in the management of the
17 political subdivision risk management program's affairs and that the members or shareholders are
18 unable to break the deadlock and that irreparable injury to the political subdivision risk
19 management program, its creditors, its policyholders, or the public is threatened by reason thereof;

20 (9) That the program has failed to pay for 60 days after the due date any obligation
21 to this state or any political subdivision thereof or any judgment entered in this state, except that
22 such nonpayment shall not be a ground until 60 days after any good faith effort by the program to
23 contest the obligation has been terminated, whether it is before the commissioner or in the courts;

24 (10) That the program has failed to file its annual report or other report within the
25 time allowed by law and, after written demand by the commissioner, has failed to give an adequate
26 explanation immediately;

27 (11) That 2/3 of the board of directors consent to regulatory control under this
28 chapter.

29 (b) An order for regulatory control shall appoint the commissioner and successors in
30 office as the controlling authority and shall direct the controlling authority forthwith to take
31 possession of the assets of the program and to administer them under the orders of the court. The
32 filing or recording of the order with any register of deeds in the state imparts the same notice as a
33 deed, bill of sale, or other evidence of title duly filed or recorded with that register of deeds. Any
34 order issued under this section shall require accountings to the court by the controlling authority.
35 Accountings shall be at such intervals as the court specifies in its order, but no less frequently than
36 semi-annually.

1 (c) The commissioner as the controlling authority shall make every reasonable effort to
2 employ a qualified expert to serve as special deputy commissioner to correct the issue that led to
3 regulatory control. The special deputy shall have all of the powers of the controlling authority
4 granted under this section. Subject to court approval, the commissioner shall make such
5 arrangements for compensation as are necessary to obtain a special deputy of proven ability. The
6 special deputy shall serve at the pleasure of the commissioner.

7 (d) Subject to court approval, the controlling authority may take such action as is
8 deemed necessary or expedient to reform and revitalize the program. The controlling authority shall
9 have all the powers of the directors, whose authority shall be suspended, except as they are
10 redelegated by the controlling authority. The controlling authority shall have full power to direct
11 and manage, hire and discharge employees subject to any contract rights they may have, require the
12 collection of funds from political subdivisions comprising the program, and deal with the property
13 and business of the program.

14 (e) If the controlling authority finds that there has been criminal or tortious conduct or
15 breach of any contractual or fiduciary obligation detrimental to the controlling authority by any
16 officer, manager, agent, broker, employee, or other person, they may pursue all appropriate legal
17 remedies on behalf of the program.

18 (f) The controlling authority may at any time petition the court for an order terminating
19 the regulatory control of the program. If the court finds that grounds for regulatory control no longer
20 exist, it shall order that the program be restored to possession of its property and the control of its
21 business. The court may also make that finding and issue that order at any time upon its own
22 motion.

23 VIII. Regardless of its RBC level, any dividend, return of capital, or return of premium
24 proposed by the board of a program shall be reviewed and approved prior to distribution by the
25 commissioner under such terms as outlined in RSA 401-B:5, II, as are applicable to political
