to which was referred **HB 1780**

AN ACT

increasing penalties for persons violating laws
relative to the sale of seeds, plants, and nursery
stock.

Having considered the same, the committee recommends that the Bill

ought to pass with amendment

by a vote of: 4-0

Amendment # 2026-1428s

Senator Howard Pearl
For the Committee

House Bill 1780 addresses several technical inconsistencies by revising labeling standards with input from DAMF, seed suppliers, and other stakeholders. The amendment clarifies that no seed may be sold in New Hampshire more than 36 months after its production date and specifies how labeling of the production date must be updated when tested or the date be carried forward.
