THE COMMITTEE ON Education Finance

to which was referred **HB 1121**

AN ACT defining the cost of an adequate education.

Having considered the same, the committee recommends that the Bill

BE REFERRED TO INTERIM STUDY

BY A VOTE OF: 4-0

Senator Keith Murphy
For the Committee

This bill defines the specific employee positions that are to be used to calculate the cost of an adequate education, including teachers, librarians, and custodians, but not nurses. The committee believed that the core definition of "adequate education" was previously addressed in HB 1815, and that more time was needed to ascertain the outcome of that new law. Therefore, as the concept has some merit but is not yet ready for legislation, the committee supported the Interim Study motion.
