THE COMMITTEE ON Ways and Means

to which was referred **HB 1301-FN**

AN ACT	increasing certain mooring fees and directing such funds to the cyanobacteria mitigation loan and grant fund.
--------	---

Having considered the same, the committee recommends that the Bill

IS INEXPEDIENT TO LEGISLATE

BY A VOTE OF: 4-0

Senator Keith Murphy
For the Committee

This bill would have increased certain annual mooring fees for inland waterbodies by \$25 and directed a portion of the revenues to the Cyanobacteria Mitigation Loan and Grant Fund and a portion to the Navigation Safety Fund. The committee believes that a more comprehensive, long-term solution is needed rather than a fee increase that would be paid by only a small group of people.
