BY A VOTE OF: 5-0

AMENDMENT # 2026-1718s

Senator Daniel Innis
For the Committee

At the request of the Banking Department, this bill sought to simplify, streamline, and update the statutory fee mechanisms that determine how the Department is funded. Examinations, which are conducted every 18 months, would be changed to a flat fixed fee for chartered entities. For licensed entities, fees charged for license applications would be adjusted to inflation. The Committee Amendment would clarify that the fixed annual fee would apply to all state chartered institutions, including depository banks, credit unions, trust companies, and family trust companies.
