9 (a) "Cannabis" includes the leaves, stems, and flowers of all species of the plant genus
10 cannabis, but shall not include the resin extracted from any part of such plant and every compound,
11 manufacture, salt, derivative, mixture, or preparation from such resin including hashish, and
12 further, shall not include the mature stalks of such plant, fiber produced from such stalks, oil or cake

19 preparation that is composed primarily of such resin, including, but not limited to, hashish and
20 cannabis oils for vaporization. "Cannabis concentrate" shall not include cannabis products made
21 from cannabis concentrate where the majority of the content by weight is something other than

23 (c) "Cannabis product" means any product that contains cannabis, including cannabis
24 extracts, concentrated cannabis products, and products that contain cannabis and other ingredients
25 and are intended for use or consumption, such as, but not limited to, edible products, ointments, and
26 tinctures. This term shall not include cannabis in its plant or flower form.

27 (d) "Cannabis trim" means leaves, stems, trichomes, and other plant materials that are
28 no longer attached to a cannabis plant. It does not include cannabinoids or resins extracted from
29 cannabis.
