4 329:54 Definitions. As used in this subdivision, "elective intravenous therapy" means a  
5 procedure:

6 I. To administer fluids, nutrients, medications, or blood directly into a patient's bloodstream  
7 through a vein;

8 II. That is sought by the patient to alleviate symptoms of temporary discomfort or improve  
9 temporary wellness; and

10 III. That is not administered in a physician's office or a health facility licensed under RSA  
11 151.

12 329:55 Provision of Elective Intravenous Therapy.

13 Elective intravenous therapy may only be prescribed or ordered by a physician licensed under  
14 this chapter, a physician associate licensed under RSA 328-D acting within the scope of their  
15 practice, or an advanced practice registered nurse licensed under RSA 326-B acting within the scope  
16 of their practice.

17 329:56 Administration of Elective Intravenous Therapy.

18 Elective intravenous therapy may only be administered by a physician licensed under this  
19 chapter, a physician associate licensed under RSA 328-D acting within the scope of their practice, an  
20 advanced practice registered nurse licensed under RSA 326-B acting within the scope of their  
21 practice, or a registered nurse licensed under RSA 326-B acting within the scope of their practice.

22 2 Effective Date. This act shall take effect 60 days after its passage.
