**SB 83-FN- FISCAL NOTE
AS AMENDED BY THE HOUSE (AMENDMENT #2025-3010h)**

AN ACT relative to licenses for primary and secondary game operators.

FISCAL IMPACT:

This bill, which the Lottery Commission states this bill will have no impact on state revenue or expenditures, does the following:

- Revises RSA 287-J:1 to remove language regarding free-play, which is inconsistent with similar language in RSA 287-D:2.
- Directs historical horse racing breakage amounts to the Governor’s Commission on Addiction, Treatment, and Prevention, thus making it consistent with video lottery terminal revenue shares, and eliminating the reference to a non-existent service.
- Revises the statutory definition of “primary game operator” and “secondary game operator” in RSA 287-D, to resolve concerns from the FBI that the definitions are too broad.
