HOUSE RESOLUTION

32

A RESOLUTION urging the United States Congress to review the efficacy of the tariff policies of earlier presidential administrations, including tariffs implemented during the national emergency declared on April 2, 2025.

SPONSORS: Rep. Simpson, Rock. 33; Rep. Lloyd, Hills. 8; Rep. Colby, Merr. 9; Rep. Long, Hills. 26; Rep. Almy, Graf. 17; Rep. Hartnett, Hills. 41; Rep. Wilhelm, Hills. 21; Sen. Rosenwald, Dist 13; Sen. Perkins Kwoka, Dist 21

COMMITTEE: State-Federal Relations and Veterans Affairs

AMENDED ANALYSIS

This resolution urges the United States Congress to review the efficacy of the 2025 IEEPA State of Emergency declaration as well as the efficacy of tariff policies of earlier presidential administrations.

STATE OF NEW HAMPSHIRE

In the Year of Our Lord Two Thousand Twenty-Six

A RESOLUTION urging the United States Congress to review the efficacy of the tariff policies of earlier presidential administrations, including tariffs implemented during the national emergency declared on April 2, 2025.

1 Whereas, on April 2, 2025, a national emergency was declared pursuant to the International
2 Emergency Economic Powers Act (IEEPA) which resulted in a 10 percent base tariff on all foreign
3 goods imported from foreign countries into the United States and even higher tariffs on specified
4 trading partners; and

5 Whereas, low-income American households have been hit hardest by the price increases caused
6 by these tariffs with subsequent price increases on essential goods like food, clothing, electronics,
7 and used vehicles; and

8 Whereas, economists broadly agree that tariffs are taxes on imports which are passed on to
9 consumers and businesses in the form of higher prices; and

10 Whereas, recent tariffs have led to higher living costs for New Hampshire residents and higher
11 operating costs for New Hampshire businesses; and

12 Whereas, Canada is New Hampshire's number one export market, totaling \$1.4 billion in annual
13 goods; and

14 Whereas, Canadian government officials have said that a tariff on imports from Canada increase
15 costs for New Hampshire residents for goods such as gas, seafood, groceries, fresh fruits and
16 vegetables like blueberries and potatoes, durable goods and house-building materials; and

17 Whereas, over 100,000 New Hampshire jobs are linked to international trade; now, therefore, be
18 it

19 Resolved by the House of Representatives:

20 That the New Hampshire house of representatives urge the United States Congress to review
21 the efficacy of the 2025 IEEPA State of Emergency declaration as well as the efficacy of tariffs
22 policies of earlier administrations; and

23 That copies of this resolution be forwarded by the house clerk to the President of the United
24 States; to the President of the United States Senate; to the Speaker of the United States House of
25 Representatives; each member of the New Hampshire congressional delegation; and the New
26 Hampshire state librarian.
