

Amendment to HB 1483-FN

1 Amend RSA 261:89-f, II as inserted by section 1 of the bill by replacing it with the following:

2

3 II. If the FCC-issued call sign is not displayed, the registrant may request a standard issue
4 plate featuring a lightning bolt symbol to indicate their status as a licensed amateur radio operator.

5 (a) There shall be no duplication of numbers.

6 (b) A list of all such plate holders shall be made available to the New Hampshire
7 department of safety, division of homeland security and emergency management, for the sole
8 purpose of contact and coordination of such persons in a natural disaster or other public safety
9 requirement. All other data is privileged per RSA 260:14-a.

10 (c) Nothing in this section shall be construed to confer any special privileges, including
11 but not limited to the use of emergency lights, exemption from traffic laws, or access to restricted
12 areas, except when acting under the express direction of authorized public safety personnel.
