6 *consumer for the most recent delivery, for 80 percent of the dealer's best reasonable*
7 *estimate of the quantity of heating fuel remaining in the tank, less any payments due from*
8 *the consumer. The dealer shall refund the remainder of the amount due as soon as the*
9 *quantity of heating fuel left in the tank can be determined with certainty, but no later than*
10 *14 calendar days after the removal of the tank or restocking of the tank at the time of*
