HB 1066-FN- FISCAL NOTE
AS AMENDED BY THE HOUSE (AMENDMENT #2026-0923h)

METHODOLOGY:

This bill changes how municipalities approve lease agreements for things like buildings, equipment, or land. It sets stricter rules for leases over \$500,000, requiring a public hearing and a supermajority vote to pass. Some leases will now count as debt, which means they'll be included in the town's borrowing limits.

The New Hampshire Municipal Association states the supermajority vote for lease agreements exceeding \$500,000 could raise the approval threshold and classify certain leases as debt. As a result, municipalities could experience uncertain potential savings or costs over time depending on the individual municipality.
