Floor Amendment to SB 538-FN

1 Amend the bill by replacing section 2 with the following:

2

3 2 New Paragraph; Net Metering; Municipal Energy Project Material Standards. Amend RSA  
4 362-A:9 by inserting after paragraph II the following new paragraph:

5 II-a. Each electric distribution utility shall make available alternative tariffs for net  
6 metering to eligible customer-generators in accordance with Order No. 26,029, dated June 23, 2017,  
7 and the net metering rules adopted by the commission. Any eligible customer-generator that has  
8 submitted an interconnection application to a distribution utility on or before the effective date of  
9 this paragraph and that is used to offset the electricity requirements of a group consisting  
10 exclusively of one or more customers who are political subdivisions that first receive compensation  
11 under an Order No. 26,029 alternative tariff shall remain eligible to receive that tariff for the longer  
12 of 15 years from the first year in which compensation is received, or until December 31, 2040.
