Local Revenue	\$0	\$0	\$0	\$0
Local Expenditures	\$0	\$0	\$0	Indeterminable, Possibly No Impact

METHODOLOGY:

This bill, effective July 1, 2028, prohibits public schools from offering foods containing certain FDA-recognized red, citrus red, and orange color additives as part of school breakfast and lunch programs. It also encourages schools to avoid several other listed food dyes and work with vendors to transition away from them where feasible, while exempting foods sold outside regular school meal programs. Costs to school districts to comply with this bill, if any, are indeterminable and will vary by district.
