THE COMMITTEE ON Health and Human Services

to which was referred **SB 251**

AN ACT

establishing a commission to study the delivery of public health services through regional public health networks and the continued development of coordinated responses to public health incidents and emergencies in New Hampshire.

Having considered the same, the committee recommends that the Bill

OUGHT TO PASS

BY A VOTE OF: 5-0

Senator Suzanne Prentiss  
For the Committee

This bill re-establishes the commission to study the delivery of public health services through regional public health networks and the continued development of coordinated responses to public health incidents and emergencies in New Hampshire. Re-establishing this commission will continue the critical, unfinished work surrounding regional public health networks and their collaborative role in New Hampshire's public health system.
