24                   I. At a meeting held before January 1, the school administrative unit board, ***or school***  
25 ***board for single-district school administrative units,*** shall adopt a budget required for the  
26 expenses of the school administrative unit for the next fiscal year, which budget may include the  
27 salary and expenses of supervisors of health, physical education, music, art, and guidance, and any  
28 other employees, and shall include the expenses necessary for the operation of the school  
29 administrative unit. Superintendents, assistant superintendents, business administrators, teacher  
30 consultants, and the regularly employed office personnel of the school administrative unit office shall  
31 be deemed employees of the school administrative unit for the purposes of payment of salaries and

4 **2 or more districts.** The school administrative unit board shall apportion the total amount of the  
5 budget among the constituent school districts in the following manner: the apportionment shall be  
6 based 1/2 on the average membership in attendance for the previous school year and 1/2 on the most  
7 recently available equalized valuation of each district as of June 30 of the preceding school year.  
8 Prior to January 15 in each year, the board shall certify to the chairperson of the school board of  
9 each constituent school district the amount so apportioned. Each district within a school

19 ~~only one district. The budget for these units shall be a part of the school district budget and subject~~
