11 session, for the purposes set forth therein, totaling \$\_\_\_\_?"

12 (b) "This question shall be considered only if the previous question is defeated. Shall the  
13 (local political subdivision) raise and appropriate as an operating budget, not including  
14 appropriations by special warrant articles and other appropriations voted separately, a default  
15 budget, totaling \$\_\_\_\_, which is the same as last year, with certain adjustments required by prior  
16 action of the (local political subdivision) or by law; the (local political subdivision) governing body  
17 may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a  
18 revised operating budget. Should this question be defeated, the operating budget shall be the
