THE COMMITTEE ON Executive Departments and Administration

to which was referred **HB 598**

AN ACT

establishing a committee to study data sources of all entities operated by all branches of government that are or are potentially made available to the public, identify the data formats of those sources, and recommend legislation to standardize types and formats of data output from all or select governmental entities.

Having considered the same, the committee recommends that the Bill

IS INEXPEDIENT TO LEGISLATE

BY A VOTE OF: 5-0

Senator Tara Reardon  
For the Committee

HB 598 establishes a committee to study data sources of all entities operated by all three branches of government that are or are potentially made available to the public, identify the data formats of those sources, and recommend legislation to standardize types of formats of data output from all or select government entities. The Committee felt that such a committee could have significant unforeseen costs to the departments and agencies.
