THE COMMITTEE ON Education

to which was referred **HB 484**

AN ACT

relative to reallocation or repurposing of career and technical education classroom space by local school districts.

Having considered the same, the committee recommends that the Bill

OUGHT TO PASS

BY A VOTE OF: 4-1

Senator Daryl Abbas
For the Committee

This bill authorizes the allocation and re-purposing of career and technical education classrooms by local school districts. Currently, once funds are accepted from the state for CTE classrooms, they must be used for that purpose exclusively. This legislation allows for flexibility, after twenty years, so that the states investment can be utilized by schools for all student needs.
