

Amendment to SB 217

1 Amend RSA 31:103-c, II as inserted by section 1 of the bill by replacing it with the following:

2

3 II. Cities and towns shall post on the front page of their official websites, and official social
4 media pages utilized by the city or town, a summary of all proposed taxpayer-funded building
5 projects, including new buildings, schools, parks, and libraries. The summary shall include
6 statements of the average tax impact on a resident that will result from each proposed project. Tax
7 impact statements shall be worded as follows:

8 "If the following ____ project passes, this will result in an average estimated tax impact of \$X.XX
9 per one thousand dollars of equalized valuation."
