II. That the above amendment proposed to the constitution be submitted to the qualified voters of the state at the state general election to be held in November, 2018.

III. That the selectmen of all towns, cities, wards and places in the state are directed to insert in their warrants for the said 2018 election an article to the following effect: To decide whether the amendments of the constitution proposed by the 2018 session of the general court shall be approved.

IV. That the wording of the question put to the qualified voters shall be:
