

Amendment to HB 1691-FN

1 Amend the bill by replacing section 3 with the following:

2
3 3 Renewable Energy Fund; Annual Report. RSA 362-F:10, IV is repealed and reenacted to read
4 as follows:

5 IV. The commission shall make an annual report by October 1 of each year to the legislative
6 oversight committee on electric utility restructuring established under RSA 374-F:5, the house,
7 science, technology and energy committee, and the senate energy and natural resources committee
8 detailing how the renewable energy fund is being used and any recommended changes to such use.

9 The report shall also include:

10 (a) Annual aggregated data of the number of renewable energy certificates used for
11 New Hampshire renewable portfolio standards compliance by class for the previous calendar year.

12 (b) Data, by quarter, of the number of renewable energy certificates generated by each
13 facility eligible under New Hampshire renewable portfolio standards by class for the previous
14 calendar year.

15 (c) Information on the total peak generating capacity that is net metered under
16 RSA 362-A:9 within the franchise area of each electric distribution utility, and the percentage this
17 represents of the amount that is allowed to be net metered within each franchise area. Information
18 shall be provided on net metered group host registrations and the associated customer groups,
19 including number and location of group host facilities, generation by renewable source and size of
20 facility, and group load served by such facilities.
