

Amendment to SB 483

1 Amend RSA 318:47-1 as inserted by section 1 of the bill by replacing it with the following:

2

3 318:47-1 Procedures for Dispensing Controlled Drugs. Only a patient for whom a prescription
4 was written, the owner of an animal for which a prescription was written, or an authorized
5 representative of the patient or animal owner, as defined in rules adopted by the pharmacy board,
6 after consultation with the commissioner of health and human services, may pick up a prescription
7 for a schedule II, III, or IV controlled substance. Prior to dispensing a prescription for a schedule II,
8 III, or IV controlled substance to a patient not personally known to the pharmacist, the pharmacy
9 technician, or the pharmacy intern, the pharmacist, pharmacy technician, or pharmacy intern shall
10 require the individual receiving the drug to provide a signature and show valid and current
11 government-issued photographic identification as evidence that the individual is the patient for
12 whom the prescription was written, the owner of the animal for which the prescription was written,
13 or the authorized representative of the patient or animal owner.
