

Amendment to HB 1483

1 Amend the bill by replacing section 1 with the following:

2

3 1 Wiretapping and Eavesdropping; Definitions. Amend RSA 570-A:1, IX to read as follows:

4 IX. "Communications common carrier" means a person engaged in providing
5 communications services to the general public through transmission of any form of information
6 between subscribers by means of wire, cable, radio or electromagnetic transmission, optical or fiber-
7 optic transmission, or other means which transfers information without physical transfer of
8 medium, whether by switched or dedicated facilities. A person engaged in radio or television
9 broadcasting or any other general distribution of any form of communications shall not thereby be
10 deemed a communications common carrier. ***"Communications common carrier" shall include***
11 ***any wireless technology that uses a wireless entry or access point to transmit or receive***
12 ***any form of information.***
